The Card is not transferable and shall be used only by the Cardholder strictly in accordance with this Agreement and up to the maximum value of the Available Balance. Your Travel Wallet Account and obligations may not be assigned. This Card must only be used for consumer transactions and should not be used for business purchases.

3.2 The Card shall at all times remain the property of the Bank.

3.3 The Cardholder must sign the Card on the signature panel on the reverse of the Card and activate the Card at the Account Centre in order to use it.

3.4 As a Cardholder, you are responsible for complying with the current Agreement and shall be solely liable for any consequences arising from your breach of the Agreement. The current version of the Agreement is available to Cardholders via link from the Account Centres at any time. Activation, Loading or use of Travel Wallet by you, the Cardholder, constitutes your consent to the current Agreement, the Fee Schedule and the Limits.

3.5 You acknowledge and agree that your spending on the Travel Wallet is limited to the funds that have been loaded to the Travel Wallet and not yet reserved or spent. You authorise us to deduct funds from the Available Balance of your Travel Wallet to correct a previous error or overpayment to you, or for other legitimate reasons.

4. ISSUE, ACTIVATION AND USE OF THE CARD

4.1 The Card is an electronic means of payment with retailers that accept MasterCard, and a means of withdrawing cash at authorised banks or Automated Teller Machines (“ATMs”) that accept MasterCard.

4.2 To use the Card, you must first activate your Account and the Card by following the instructions presented on the Account Centre which you can access via Web or mobile app. Upon completing the activation, you may load funds to your Account and then perform transactions.

4.3 You can access a Virtual Card within the Travel Wallet Account Centre.

4.4 If the Available Balance is not adequate to cover the transaction amount, including fees and foreign currency conversion rates, you may instruct the merchant to charge a part of the purchase to the Card and pay the remaining amount with cash or another form of payment (“**split transaction**”). Some merchants do not allow split transactions. If you use your Credentials without presenting your Card, the legal effect will be the same as if you used the Card itself.

4.5 You should keep track of your Available Balance. The Bank does not pay any interest on the Available Balance. Each time you use your Card, you authorise us to reduce your Available Balance by the amount of the transaction plus applicable fees and foreign currency conversion rates. You are not allowed to exceed your Available Balance through an individual transaction or a series of transactions. You do not have the right to stop payment on any purchase transaction you authorised using your Card or Credentials after the point at which that transaction becomes irrevocable. If you authorise a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds.

4.6 As part of our Fraud Loss Control and Anti-Money Laundering/Counter Terrorism Financing policies, we reserve the right to set limitations on maximum Card Available Balance, the number and amount of load transactions, and other Travel Wallet performance and use parameters, as defined in the Limits section of this Agreement. We may also suspend or block your ability to perform transactions with the Card.

4.7 We reserve the right to limit the number of Cards issued to a Cardholder under the Card program.

4.8 You may make purchases, withdraw funds or load funds up to the limits set forth in the Account Centre. ATM withdrawal amount limits may be lower at international ATMs. As part of our Fraud Loss Control, Anti-Money Laundering and Counter Terrorism Financing policies, we may impose additional limits on the amount, number, or type of Card transactions, limit your maximum funds Available Balance, limit the maximum number of Cards issued to you, and suspend or block your Card and any associated transactions. You may contact Customer Service for additional information or questions on such limitations.

4.9 You may be charged a fee by the ATM operator (or any network used) and you may be charged a fee for a Card balance inquiry even if you do not complete a funds transfer.

4.10 Under no circumstances may you use your Card: (1) in violation of applicable laws or regulations, including those governing financial services; (2) in violation of this Agreement; (3) in a manner that violates the privacy or proprietary rights of another, including spam, phishing, or

unwanted solicitations; (4) to perform unlawful acts, including illicit gambling and acts involving stolen goods or illegal substances; or (5) to perform transactions involving a transfer of funds for illegal purposes or made to hide the source of such funds (“**money laundering**”).

5.2 The expiry date shown on the front of your Card; or the closure of the Travel Wallet account either at your request or by us pursuant to this Agreement.

6. OVERDRAW OF AVAILABLE BALANCE

6.1 It is not permissible to overdraw the Available Balance such that you have a Negative Balance. If you have a Negative Balance, we reserve the right to immediately deactivate, suspend and/or cancel the Card. The amount overdrawn must be repaid immediately by the Cardholder. The Cardholder shall bear all reasonable third party costs incurred by us in order to collect the total outstanding amount.

6.2 If the Available Balance is not sufficient to cover any fee due by the Cardholder to us under the current Agreement, we reserve the right to deactivate, suspend or cancel the Card until sufficient coverage is provided.

7. WEBSITE/MOBILE APP/CUSTOMER SERVICE

7.1 The Travel Wallet Account may be accessed via the Account Centre.

7.2 You need valid Credentials to access the Account Centre. You must protect your Credentials at all times and may not disclose them to any person.

7.3 You may resolve questions regarding the Card via the Website FAQs or by contacting Customer Service.

8. LOADING FUNDS

8.1 You may load funds to your Account after activation, in accordance with the terms of this Agreement and the Limits which may be established from time to time. Your Travel Wallet Account Centre features the funds loaded and the Available Balance in your Travel Wallet.

8.2 The funds loaded to the Account must be paid in your Home Currency using bank transfer or other mechanisms as may be accepted over time by the Bank (collectively, the “**Load Mechanisms**”). Our Load Mechanisms may change. For information regarding the specific Load Mechanisms available to you, you may visit the Account Centre.

8.3 The use of Load Mechanisms may be subject to a fee. Please consult the Fee Schedule of Section 20.

8.4 You will have the opportunity to select a Preferred Load Wallet in which to receive all your loads. As a default your Preferred Load Wallet is set to your Home Currency Wallet. You may select, at any time, a different foreign Currency Wallet as your Preferred Load Wallet. When your Preferred Load Wallet is not the Home Currency Wallet and you perform a load, the Applicable Exchange Rate in force at the time that the transaction posts to your Account and the funds are made part of your Available Balance will be used to convert the currency from your Home Currency to the currency of your Preferred Load Wallet. No Currency Conversion Fee will apply to this transaction.

8.5 Loads made by Bank Transfer on a Business Day are generally reflected in your Available Balance within 24-48 hours of when they are made. The availability of some loads may be delayed while the funds are being validated. Other Load Mechanisms result may be immediately reflected in your Available Balance.

9. CURRENCY WALLETS, CURRENCY TRANSFERS AND EXCHANGE RATES

9.1 Upon loading your Travel Wallet Account with funds, you may transfer funds between Currency Wallets.

9.2 Where funds are transferred from your Travel Wallet Card Account to a Currency Wallet or when a transaction is performed in a Supported Currency, the Travel Wallet Conversion Rate shall apply.

9.3 The Account Centre, which you can access via Website and Mobile App, will display a Travel Wallet Conversion Rate quote prior to initiating the funds transfer between your Currency Wallets. The quote will be valid for a limited time, as presented on the Account Centre. If you accept the quote, we will immediately debit the Currency Wallet from which you chose to transfer and credit the Currency Wallet into which you transferred funds, using the Travel Wallet Conversion Rate presented.

9.4 When there are one or more Currency Wallets funded within your Travel Wallet Card Account, a currency order will apply. Upon Loading of the Travel Wallet Card Account, the default Currency Order will always start with your Home Currency and thereafter may be determined by you; or, if you have not chosen a specific currency order, the Processor shall automatically order the Currency Wallets on your behalf in order to have the required access to the Available Balance of each Currency Wallet in order to authorise a transaction.

9.5 Where the Card is used to conduct a Payment Transaction in a currency which is an Unsupported Currency, the Network Settlement Rate shall apply to convert the Unsupported Currency to the Home Currency Wallet.

9.6 The MasterCard Conversion Rate may vary at any time and the Cardholder agrees that any changes in exchange rates, including those favourable to the Cardholder, will be applied immediately without prior notice if the changes are based on the MasterCard Conversion Rate, which is a referenced exchange rate.

9.7 The date of the currency conversion shall be the date on which the Payment Transaction is credited on the account of the Cardholder.

10. CURRENCY WALLET TRANSACTIONS

10.1 When using your Card in a Supported Currency, the following applies:

10.1.1 When making a purchase or an ATM withdrawal, your Travel Wallet Account will automatically debit the Currency Wallet of that country's currency if you have sufficient Available Balance in that specific Currency Wallet.

10.1.2 If there are no funds or insufficient funds in the Currency Wallet, your Card will debit funds from the next Currency Wallet nominated in your Currency Order. Your Travel Wallet Account will continue to debit each Currency Wallet in your Currency Order in succession until the transaction value is met. The full transaction value may be funded from multiple Currency Wallets. Each time funds are transferred from one Currency Wallet to another, an Auto Wallet Transfer will occur and the Travel Wallet Conversion Rate plus the Currency Conversion Fee will apply.

10.2 When using your Card to make a transaction in an Unsupported Currency, the following applies:

10.2.1 When making a purchase or an ATM withdrawal, your Travel Wallet Card Account will debit funds from the Home Currency Wallet at the current MasterCard Conversion Rate. In addition, an International Transaction Fee will also apply as set out in the Fee Schedule.

10.2.2 If there are no funds or insufficient funds in your Home Currency Wallet, your Account will debit funds from the next Currency Wallet nominated in your Currency Order. Your Travel Wallet Card Account will continue to debit each Currency Wallet in your Currency Order in succession until the transaction value is met in the equivalent value of the Home Currency. The full transaction value may be funded from multiple Currency Wallets within your Travel Wallet Card Account. Each time funds are transferred from one Currency Wallet to another, an Auto Wallet Transfer will occur and the exchange rate used will be the Travel Wallet Conversion Rate. Once there are sufficient funds in the Home Currency Wallet to pay for the transaction, your Travel Wallet Card Account will debit funds from the Home Currency Wallet at the current MasterCard Conversion Rate.

10.3 Where there are insufficient funds across all Currency Wallets on your Travel Wallet Card Account to process the transaction, the transaction will be declined (unless the transaction is a purchase and the merchant allows a split transaction).

10.4 If you withdraw funds from an ATM that dispenses a currency other than that of the country where the ATM is located, the ATM operator may convert the amount being withdrawn into their local currency before converting it back to the currency being dispensed. This may occur even when the currency being dispensed is the same as that of your Card. The amount debited from your Card may be greater than the amount which is dispensed by the ATM. Not all ATM operators advise of the amount to be debited from your Card before you withdraw money from their ATM.

10.5 You agree to pay us the transaction fees for transactions in foreign currency set forth in the Fee Schedule and acknowledge that such transaction fees are subject to change.

11. GIVING CONSENT TO EXECUTE A TRANSACTION

11.1 By using the Credentials or by signing the record of transaction for a purchase, cash withdrawal or cash advance, you give us authority to pay the retailer, merchant, bank or service

provider, as applicable, for a transaction. This authority may not be withdrawn once the transaction has become irrevocable.

11.2 The transaction records sent by retailer, merchant, bank or service provider, even in the absence of a written signature, may be used as proof of the transaction in accordance to applicable law. The transaction slip printed by the terminal is for the Cardholder's personal information only.

11.3 Certain merchants, including hotels and rental car companies, are authorised by MasterCard to add an excess spend overage amount on a purchase transaction or transaction hold. The excess spend overage amount may be up to 15% of the total anticipated transaction value and is intended to ensure adequate funds are available to pay for additional expenses associated with the merchant's services. If you agree to allow the merchant to include an excess spend overage amount as part of a transaction, your Available Balance will be reduced by the total value of the transaction (including the overage amount) until such time as the merchant submits the final amount of the transaction. If the final amount of the transaction is less than the original amount the difference will be credited back to your Available Balance.

12. SAFEGUARDING THE CARD AND CARD DETAILS

12.1 You must (a) keep the Card, including all Credentials, safe and not allow anyone else to use them; and (b) learn the PIN and other security information and keep it secret at all times and never write the PIN on the Card or on anything usually kept with it or accessible to third parties.

12.2 We reserve the right to change the PIN at the time of Card renewal or reissue.

13. THEFT, LOSS OR MISUSE OF CARD, CARD DETAILS OR PIN

13.1 IF YOUR CARD OR YOUR CREDENTIALS ARE LOST, STOLEN, COMPROMISED OR IF YOU NOTICE UNAUTHORISED TRANSACTIONS ON YOUR CARD, YOU MUST IMMEDIATELY NOTIFY US BY DESIGNATING THE CARD AS LOST OR STOLEN VIA THE ACCOUNT CENTRE OR BY CONTACTING CUSTOMER SERVICE.

13.2 When you report the loss, theft, or compromise of your information or unauthorised use, you must provide us with accurate and complete information, including without limitation, your full Cardholder Credentials and transaction information. You are fully liable for any consequences arising from any wrong, obsolete or incomplete information provided to us.

13.3 We will immediately freeze funds in your account and block your Card upon receipt of this notification.

14. IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR CARD TRANSACTIONS

14.1 Contact Customer Service immediately if you think your Travel Wallet transaction history or receipt is wrong or if you require additional information about a transaction listed on the Travel Wallet transaction history or receipt. Please be prepared to provide the following information: your full name, Card number, description of the error or the transaction, explanation as to why you believe it is an error or why you need more information, and the amount of the suspected error. Any unauthorised transaction for which you are not liable will be credited back to your account. We may request additional information concerning your complaint or question, and may require that you provide this information in writing within 10 Business Days. We will investigate your complaint or question using the information you provide to us. If, upon completion of our investigation, we

decide that there was no error, we will send you a written explanation. If funds were previously credited back to your Travel Wallet because you reported a transaction as a suspected error, we may debit those funds if our completed investigation has subsequently determined that the relevant transaction was in fact correct and authorised. You may ask for copies of the documents that were used in the investigation.

15 CARDHOLDER'S LIABILITY FOR UNAUTHORISED TRANSACTIONS

15.1 We are responsible for losses caused by unauthorised transactions unless otherwise specified in this section. A transaction is considered unauthorised if the Cardholder has not initiated or consented to the transaction. A transaction shall not be unauthorised if the Cardholder has provided the Card or Credentials or PIN to a third party.

15.2 You will be liable for up to SEK 500 for losses due to unauthorised transactions if the Card and PIN or other similar personal security feature has been applied in the transaction.

15.3 You will be liable for up to SEK 500 for losses due to unauthorised transactions if you made the unauthorised use possible through gross negligence.

15.4 You will be liable for the entire loss if it is caused because you:

15.4.1 disclosed your PIN to the person who used the card and you realized or ought to have realized that there was a risk of unauthorised use; or

15.4.2 acted wilfully or fraudulently.

15.5 If you have failed to block the card via the Account Centre or failed to inform us as soon as possible after you became aware or should have become aware of the loss or theft of the Card or its unauthorised use, you will incur an undue delay and will be liable for the entire loss. (While the characterization of a delay as an "undue delay" may vary depending on the circumstances, a failure to notify us within 13 months of the Payment Transactions being debited will always amount to undue delay.)

15.6 The Cardholder's liability for the unauthorised use of a Card ends when the Cardholder has blocked the Card or properly notified us of the loss of the card or PIN or of them falling into the wrong hands or of their unauthorised use, unless the cardholder has intentionally made a false notification or otherwise acted in a fraudulent manner.

16. OUR LIABILITIES

16.1 We shall not be liable for any direct or indirect damages if the Card or a specific transaction is refused or not honoured by a retailer or a bank or an ATM, and we do not bear any responsibility for errors committed by authorised retailers or banks or ATMs.

16.2 We will not be obliged to enter into any dispute arising between you and a retailer or a bank and, moreover, a dispute with a retailer or a bank does not absolve you of complying with regulations governing the use of the Card and this Agreement.

16.3 No cancellation of transactions will be permitted after the transaction becomes irrevocable except in cases where you report your Card has been lost stolen or used without authorization, as described in Section 13.

16.4 Without prejudice to the above, our liability under the Agreement shall be limited to instances of gross negligence or serious misconduct or wilful default.

16.5 If we do not complete a transaction to or from your Card on time or in the correct amount according to this Agreement, we will not be liable in different circumstances, including, without limitation: if there is an authorisation hold, or your card has been suspended or blocked as part of our fraud prevention, risk monitoring or anti money laundering program, or your Card is subject to legal process or other encumbrance restricting its use; if you do not have enough funds in your Card Available Balance to complete a transaction; if the ATM you are trying to use does not have enough cash; if the ATM, POS terminal, network, or system involved in your transaction did not work properly; if your mobile device from which the Mobile App is accessed fails to send or receive data or relevant messages; if we are prohibited by law or network rules from completing a transaction; if circumstances beyond our control (for example, natural disasters, earthquakes, fires, floods, war, or acts of terrorism) prevent the completion of the transaction; if a merchant refuses to accept your Card; if you provided inaccurate or incomplete information regarding a transaction; if access to your funds is blocked after you reported loss, theft or unauthorised use of your Card; if a merchant authorises an amount in excess of the purchase amount; if we have reason to believe the requested transaction is suspicious, fraudulent, or unauthorised; or for any other exception stated in this Agreement.

17. REFUNDS FOR TRANSACTIONS

17.1 You shall receive a refund of an authorised transaction initiated by or through a payee if the amount of the transaction charged to the Card by the retailer is more than you could reasonably have expected in the circumstances of the purchase; and you ask the Bank for a refund within eight (8) weeks of us debiting the transaction to the Card. If you ask us for a refund under these conditions, you must provide us with factual elements relating to this condition.

17.2 You cannot use a claim you may have against someone else to make a claim against us, or to refuse to pay us, unless you have a legal right to do so. You cannot transfer any rights against the Bank to anyone else. You will settle all disputes about purchases you make using your Card with the merchant who accepted the Card. We are not responsible for the delivery, quality, safety, legality, or any other aspect of goods or services that you purchase from others with your Card.

18. WITHDRAWALS OF THE USE OF CARD

18.1 We may stop or suspend the use of the Card and or refuse to reissue or renew or replace a Card, if we reasonably (a) consider it necessary for reasons relating to the security of the Card, (b) suspect the use of the Card is unauthorised, fraudulent or illegal, or (c) believe there is a significantly increased risk that you will not be able to repay any amount you owe under this Agreement. This Agreement will continue even if we do any of these things and we will not be responsible or incur liability for any loss or damage you may suffer as a result.

19. NO REPRESENTATION OR WARRANTIES

19.1 WE MAKE NO REPRESENTATION OR WARRANTY WITH RESPECT TO THE SERVICES PROVIDED UNDER THIS AGREEMENT, WHETHER EXPRESS OR IMPLIED, WRITTEN OR ORAL, ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE, OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE.
